

St. Patrick's Day Parade

Alternate Route to the Animation Workshop

34 Winthrop Street, Rochester NY 14607
585-232-3949

Because the city's annual parade marches down East Avenue,
THE ONLY WAY TO ANIMATUS is by SCIO STREET at EAST MAIN STREET.
Here's how to get there...

Head to Downtown Rochester on I-490 East or West

1. **Get off I-490 at Exit 13**, following the **Inner Loop signs**. (If heading west on I-490, do not get off at Goodman St.) Proceed on the Inner Loop for just over 1 mile. (Go past the St. Paul / Clinton Ave. exit.)
2. Exit the Inner Loop at **Scio St.** (right lane). **Turn right** at the stop sign so you are heading towards the city.
3. **Proceed** on Scio St. **past 2 lights**, crossing University Ave. and Main St. (**You may have to ask a policeman to let you through at Main St.**)
4. Immediately, make your **first left turn** onto **Charlotte St.**
5. **Go 2 short blocks** on Charlotte St. and make a **right turn** onto **Winthrop St.**
6. **The Animation Workshop parking lot is the first one on the left.** Our building is set back and Animatus is written in the front window.

Welcome to The Animation Workshop at Animatus Studio!
